NAMES YOU CAN TRUST
WWW.AZBLOCK2000.COM

Breathe new life into your tired backyard and create an oasis that invites you home.

AZ Block 2000's Thin Line Collection is your solution. This versatile collection installs over existing hardscape and cool deck, making it the ideal choice for renovation.

- Easier installation saves time and money, with less mess.
- Proper base preparation allows you to transition from overlay to fresh installation, expanding your living space.
- Available in three sizes for design flexibility.
- Our coping unit creates a custom finish look.
- Our all-new radiant colors significantly reduce surface temperatures, giving you the advantage of cool deck without sacrificing aesthetics.
